Customized Training Programs

Helping Employers Close the Skills Gap

Customized Training...

Allows companies to select prospective employees, train them and hire those who successfully complete the training while CareerSource Broward pays up to 90% of the costs of training.*

Customized Training Programs Can Help Grow Your Bottom Line ...

By allowing companies to select the most effective trainer, defraying the cost of training and turning out employees just right for your company.

The Details

Customized training targets unemployed workers and is designed to meet the specific training needs of employers. Customized training is short-term occupational employer specific training.

Why this program can work for you:

- You determine the wage.*
- You determine the number of employees to be trained.
- You determine the length of training ~ can be up to six months!
- You determine which occupational skills should be targeted for training.
- You hire those who successfully complete the training!

Why should my company participate?

Whether you are an established or new company, customized training can benefit you. Broward County businesses can receive up to 90% reimbursement for training costs.*

* Restrictions may apply.

Who provides the training?

Employers can select their trainers:

- Community College
- Vocational-technical centers
- Universities
- Licensed and certified private institutions
- Your own staff experts
- Consultants

How can you sign up?

The process is easy...

The initial step is to contact us. We will assign a CareerSource Broward Business Services Professional to assist you in creating a customized training plan tailored to your needs.

Based on federal guidelines, applicable to the size of your company, a training budget will be developed.

In no time your new candidates will be trained and ready for their new job.
