CareerSource Broward To Host Forum For Technology Industry Employers *Ultimate Software Group Inc.'s Jim Jensen Will Discuss Tech Trends, Local Talent Needs*

FORT LAUDERDALE, Fla. – March 28, 2016 – As South Florida continues to see rapid growth in technology-based workforce and economic business, CareerSource Broward (CSBD) is hosting a free forum for local business owners, industry executives and education representatives interested in discussing current technology trends and talent needs in Broward County.

The CSBD Technology Industry Employer Forum will take place on Tuesday, April 26, from 8 to 10 a.m. at CSBD, located at 6301 NW 5th Way, Ste. 3000, Ft. Lauderdale, and will feature Ultimate Software Group Inc.'s Jim Jensen, who will address skills gaps and training needs affecting local technology companies. During the event, attendees will also have the opportunity to meet and network with other senior executives, as well as learn how they can leverage resources provided by CSBD to support their workforce needs.

"Broward County is home to a variety of innovative and diverse companies that depend on highly skilled tech talent to grow and support their business," said Mason C. Jackson, President/CEO of CareerSource Broward. "This forum allows us to create an environment where we can collaboratively address the needs of employers and work together to generate opportunities for jobseekers in the technology field."
