Employer Testimonial

"Our company depends on our ability to recruit top-tier talent in order to grow our business. Working with CareerSource Broward gave us the opportunity to meet qualified candidates during a recent job fair hosted at one of their career centers. The staff was extremely positive, and the hiring event was well organized. We were so impressed with the candidates who attended that we even scheduled several interviews right on the spot! I highly encourage other companies to take advantage of the tremendous no-cost resources offered by this fantastic community agency!"

Customer Testimonial

"Through the Get REAL! program, my son, Marcus, has excelled in all academic areas while attending Broward College. The program is funded by CareerSource Broward and has provided my son with tuition assistance, career support and even job placement. Marcus is expected to graduate in December 2017 with his associates degree, and I can see that his spirits have been lifted knowing that he worked hard to achieve his goals. Programs like Get REAL! make a huge difference in the lives of so many, and I could not be more grateful for what it has done for my son and our family."
