Customer Testimonial

"A year ago, when I came into the Welfare Transition Program, I never would've imagined that I would overcome so many obstacles. I was homeless, living place to place, unemployed with no transportation and not sure how I was even going to provide for my son. After participating in CareerSource Broward's Job Club program for a few months, I was eventually offered a supervisor position at a local call center, and it was because of the efforts from genuine and pure-hearted CareerSource Broward staff that allowed me to push forward and become self-sufficient."
